To whom it may concern,

I have been asked to generate an email that verifies that John Jones has volunteered to serve as the Delta Phi Epsilon SUNY Cortland chapter advisor beginning in Fall 2022.

So, yes, John is serving in this capacity and did attend an orientation session that I held for all chapter advisors on September 7, 2022. Chapter president, Emily Marino would be the most appropriate person to verify the frequency and length of any regular contact schedule that may have been established.

I have attached a copy of the Greek Life Operations Manual to this email. Pages 22-26 outline the parameters of what it means to be a chapter advisor.

Should you have any questions, feel free to ask.

Sandy
